

## TWO UNBEATEN HORSES.

The Wonderful Record Now to the  
Credit of Kingston and El  
Rio Rey.

Some of the Events in Which the  
Flyers Showed the Metal  
in Them.

Other Notable Races Whose Wonderful  
Performances Were the Admiration  
of all Turfmen.

Two horses ran throughout the season without a defeat—El Rio Rey and Kingston. This is more than can be said of any other horse since the phenomenal 2-year-old Tremont retired on his laurels in the fall of 1886 after winning seventeen successive victories. Hanover, the king of the turf in 1887, won seventeen times consecutively and was then beaten several times. After several very brilliant and easy wins in 1888, The Bard was downed by Firenze, whom he had beaten and who was shortly afterward defeated by Raeland.

The Bard has not raced since that defeat, which some attributed to his unfitness. The Emperor of Norfolk, El Rio Rey's full brother and the king of 3-year-olds in 1888, was defeated by Cruiser early in the season of 1888 and was retired in the summer on account of lameness, after several notable victories, in which he easily proved his superiority to Raeland, Prince Royal, Sir Dixon and his once accidental conqueror, Cruiser.

Horse racing has been in vogue in America since Doc, Nicola first established a plate to be run on a course sixteen miles long and four miles wide in Hempstead, L. I., "for the improvement of the breed of horses," but it is doubtful if in that long time two horses ran a considerable number of times in one season without tasting defeat. Modern records do not show such instances, and it is probable that in the past 100 years the running horses whose record in a single season was one of unbroken triumph could be counted on the thumb and fingers of one hand.

Kingston's second to his stable companion, Hanover, early in the summer, does not count as a defeat, as the Dwyers said they would win with Hanover if possible and with Kingston if necessary. He narrowly escaped defeat at Winchester Oct. 10, when he had a dead heat with Cracksman. Kingston carried 132 pounds and Cracksman 116. Isaac Murphy, who rode Kingston, under-rated his antagonist and allowed him so much lead up to the last jump that Hamilton, on Cracksman, made it a dead heat.

El Rio Rey has been so well taken care of and has won once or twice a month so easily that his prestige is unprecedented since the days of Tremont. If no accident occurs to him he will undoubtedly be an invincible king of the turf next year.

## Will Be Built at Baltimore.

BALTIMORE, Oct. 29.—W. F. Maister, president of the Columbian Iron Works, the lowest bidder for two of the 2,000-ton cruisers, says Secretary Tracy assured him his company would receive the contract for both vessels and told him to return home and prepare for the work.

Secretary Tracy this afternoon awarded the contract for building two of the 2,000-ton cruisers to the Columbia Iron works, of Baltimore, for the sum of \$1,225,000. The contract for the third one will be awarded either to Harrison Loring, of Boston, or N. F. Palmer & Co., of New York, each of whom bid \$674,000.

## Doubt That It Is Burrows.

BIRMINGHAM, Ala., Oct. 29.—Nothing has been heard from Blount county except that Rube Burrows is still at large and his pursuers need more dogs. The governor, in reply to the sheriff's request for help, sent twenty picked men. The report that another officer had been killed is unfounded and most probably false. The impression is growing that it is not Rube Burrows the sheriff is following. These men go along the highroad, stopping at houses and inquiring their way. Rube has never done this, but after being seen has always disappeared utterly until the next robbery.

## Guilty on All the Counts.

DENVER, Oct. 29.—The jury in the famous Comers-Marshall case, wherein the defendants were charged with conspiracy to rob the Rio Grande express train near Gunnison last April, to-night returned a verdict of guilty on all five counts. Considerable interest was manifested in the case, the defendants being well-known men. Jim Comers was at one time first lieutenant of the Denver police and Marshall the proprietor of one of the largest gambling halls in Kansas City. This is the second trial; the first resulted in a hung jury. It is understood that a motion will be made for a new trial.

## Operations of the Smugglers.

SAULT STE MARIE, Oct. 29.—Opium smuggling has been carried on at this port for the past six months on an extensive scale, the smugglers bringing the drug from Vancouver and working it across the river in small boats. A special United States customs detective has arrived here to assist the local officers in arresting the parties implicated, of whom there are quite a number. Some of the gang are now at Port Huron, waiting to smuggle across from Sarnia \$25,000 worth, which they have lately imported.

## Lynchers Under Arrest.

RALEIGH, N. C., Oct. 29.—About two weeks ago Robert Berrie killed his mother-in-law at Lexington, N. C., and on being captured, was lynched. Solicitor Long has made an affidavit before Judge Phillips, on which twenty of the lynchers have been arrested. Some of the ringleaders have fled.

## She Broke the Record.

SAN FRANCISCO, Oct. 29.—In the seven days fifty-six-hour bicycle tournament, which closed last night, Miss Baldwin at 1 a. m. had completed 781 miles, breaking the world's six-day forty-eight hours record.

## Now a Cracker Trust.

JACKSON, Mich., Oct. 29.—Twenty or more gentlemen representing the various cracker manufacturers of the northwest met here Saturday and reorganized the cracker trust, which will fix the schedule of prices.

The use of calomel for derangements of the liver has ruined many a fine constitution. Those who, for similar troubles, have tried Ayer's Pills testify to their efficiency in thoroughly remedying the malady, without injury to the system.

## A Sure Cure for Piles.

Dr. Kirk's German Pile Ointment has cured Blind, Bleeding and Itching Piles when all other ointments have failed. It absorbs the tumors, allays the itching at

once, acts as a poultice, gives instant relief. Dr. Kirk's German Pile Ointment is prepared only for piles and itching of the private parts, and nothing else. Every box is warranted. Sold by druggists or sent by mail on receipt of price, 60 cents and \$1 per box. Sold by S. K. Hale & Co., Helena.

## A Woman's Discovery.

"Another wonderful discovery has been made, and that, too, by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking the first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamrick & Co. of Shelby, N. C. Get a free trial bottle at R. S. Hale & Co.'s drug store.

## Unsurpassed in the World.

The vestibuled trains of the Chicago, Milwaukee & St. Paul railway, running daily between St. Paul and Minneapolis and Milwaukee and Chicago, are the perfection of modern railway equipment, and are unsurpassed in the world. They consist of elegant day coaches, Pullman's latest and best sleeping cars and the finest dining cars in the country. These trains are lighted by electricity and heated by steam, and afford to the traveler every comfort and convenience to be had at the very best hotels. All classes of tickets are honored on these trains and the rates are no higher than by other lines. It is for this reason that discriminating travelers patronize this company and insist that their tickets read over its line, as they naturally want the best service for their money.

## What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nostrums put up by cheap John houses or irresponsible parties at enormous prices, rather than take a medicine of world-wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as Regis Blood Purifier and Blood Maker, and every bottle that does not do its work will cost you nothing. For sale by all druggists, R. S. Hale & Co., wholesale and retail agents.

Hood's Sarsaparilla is purely a vegetable preparation, being free from injurious ingredients. It is peculiar in its curative power.

## Bucklen's Arnica Salve.

The best salve in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, letter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by R. S. Hale & Co.

## Croup Can Be Prevented.

We want every mother to know that croup can be prevented. There is no question about this; as it has been done in thousands of cases, and you may depend upon it that when a child takes the croup, it is wholly owing to the negligence of its parents. True croup never appears without due and timely warning; a few hours, or a day or two before the attack, the child becomes hoarse. This hoarseness is the first indication of croup, and is a sure sign that croup is to follow, unless promptly and properly treated. The free use of Chamberlain's Cough Remedy as directed with each bottle, under the heading "to prevent croup," will dispel all symptoms of the disease. The first sign of croup, hoarseness, may be overlooked by young mothers or those not familiar with the disease. Under such circumstances, or when not properly treated, the hoarseness becomes more marked and the child shows symptoms of having taken cold, then a peculiar rough cough is developed. Even at this stage Chamberlain's Cough Remedy will prevent the croup, but after the cough has developed, the croup is liable to appear at any moment. The proper way, is to keep a bottle of this remedy at hand. It costs but fifty cents, and only a few doses, or, at most, not over one-third of a bottle is required to dispel all symptoms of the disease. Can you afford to risk so much for so little? There is not the least danger in giving this remedy in large and frequent doses, which are always required, as it contains no injurious substance. As proof of this fact, we refer to Mr. John L. Olson of Des Moines, Ia., whose 10-months-old boy drank the entire contents of a fifty-cent bottle of Chamberlain's Cough Remedy without the least injury. For sale by H. M. Parthen & Co.
